DAR COUNCIL ACTIVITY REPORT
11 Jun 1997

FAR/DFARS Cases Discussed:

95-D708	Truth in Negotiations and Related Changes: Conforms DFARS DD Form 350 Instructions to recent amendments pertaining to cost or pricing data requirements.	Discussed with Chair, Pricing Cmte. Agreed to final rule, as edited.
95-034	Novation and Related Agreements: Revises FAR 42.12 to facilitate the process of novating contracts and provide guidelines for contracting officers while preserving the Government's interests in business combinations affecting its contracts.	Agreed to draft final rule, as edited.
97-D010	PIINs for IDIQ Contracts with Federal Prison Industries: Modifies 204.7003 to provide specific instructions on coding of Indefinite Delivery Indefinite Quantity contracts established with Federal Prison Industries.	Agreed to close case. Army will process deviation for its specific problem.

NOTE 1: DAR Council has requested nominations for Chair, Labor Committee, to be submitted by 18 Jun 97.

NOTE 2: Dr. Hamre and Ms. Spector tentatively agreed to delay implementation of the Central Contractor Registration (CCR) until 03/31/98. The current game plan is to go with a short form registration

NOTE 3: Regarding the Small Business Competitiveness Demonstration Program, OSD/GC has determined that we do have the authority to extend this program as a matter of policy vice statutory authority. This issue is still being discussed by DDP, OSD Small Business, and OSD/GC.

NOTE 4: DAC 91-12 is scheduled to be published within the next week. A hard copy of the list of contents is available upon request.
